Item	Title/Description
	<p>A Closed meeting was held tonight. There were 4 items being considered. Two items were concerning personal matters concerning an identifiable individual, including Municipal or Board employee and the other two items were regarding a proposed or pending acquisition or disposition of land by the Municipality. The following motions are to be considered.</p> <p>Town Council wishes to make the following statements:                      The Kinsmen Club abandoned their building on March 9, 2017. As a result, their lease agreement with the Daycare became null and void. Because the Town owns the land under the building, the building became the property of the Town. It is not in the best interests of the Town or the Daycare to be owning/occupying a building without any agreed upon terms or conditions because of the risk mitigation. The Town has provided the Daycare with a draft lease agreement for their consideration. The Town has to abide by the Municipal Act with regards to its anti-bonusing provisions. The Town looks forward to the Daycare's timely response to its proposal.</p>
